

ANNUAL GENERAL MEETING '09

This year's AGM took place on June 23rd at the historic Cornish Library in Armstrong's Point. The AGM allowed us to review and inform members on Heritage Winnipeg's many projects throughout this past year. We also had an opportunity to officially introduce and welcome our new Board Members: John Perrin, Jordon Van Sewell, Elizabeth Fleming, Bill Neville and Shelley Slobodzian. The impressive turnout was largely credited to the evening's guest speaker, author and historian Randy Rostecki, whose book Armstrong's Point: A History was officially launched and available for sale.

Armstrong's Point: A History is Heritage Winnipeg's first publication. It is on sale for \$39.95 at our office and both McNally Robinson locations.

The demolition of the Ryan Building was recently completed this summer due

to its hazardous condition, largely caused by neglect. A parking structure will be built on the adjacent site and developers plan to use the original bricks in the reconstruction of the facade of the Ryan Building at the corner of King and Bannatyne. Currently a rendering of the new structure is not available.
